The Open Web

When Mozilla has been created ?

Since when Mozilla is working on Firefox ?

Who is working for Mozilla ?

What is the economic model of Mozilla ?

What is the legal status of Mozilla ?

What is Mozilla exactly doing ?

For which audience Mozilla is working ?

What Mozilla means ?

- ▶ Codename of *Netscape Navigator*.
- ▶ Original name of the *Mozilla Application Suite*.
Now, known as SeaMonkey.
- ▶ Mascot of Netscape.
- ▶ User Agent string.
- ▶ Mozilla Application Framework
- ▶ Mozilla Organization, Mozilla Foundation, Mozilla Corporation, Mozilla Messaging
